

March *Food and Fund Drive* to End Hunger

During the month of March, our congregation is joining people of good will from across Minnesota to help alleviate hunger right here in Dakota County.

Minnesota FoodShare's March Campaign is the largest food drive in the state, and congregations like ours are the heart of the campaign. Last year the campaign raised a record 9.1 million pounds and dollars for Minnesota's food shelves.

This year our congregation will be collecting both food and monetary contributions throughout the month of March for our local food shelf, the *Eagan Resource Center* (ERC). The Eagan Resource Center serves over 450 hungry families from Dakota County every month.

For more information about ERC visit www.eaganrc.org. You will find a list of most needed food and non-food items.

Please return your "Food or Funds" by

so we can assure delivery of donations to the Eagan Resource Center by April 1st.
